Editorial Message

With the blessings of our heavenly founder Dr.A.S.Shanmugasundaram and our father Dr.Hahnemann, the bulletin board is glad to release the last issue of VINHOMOEEO- E-news bulletin for the year 2023. I remember a wonderful quote from Hippocrates that “Wherever the medicine is loved , there is also a love of Humanity”. So I believe that when we work hard and love our system, it means we love Humanity and we pay contribution in the upliftment of the mankind. Our Journey in practicing Homoeopathy seems long and hard at the beginning, with preservance and dedication, the rewards at the end last for lifetime.

This issue features various activities like INVICTUS 2023 celebration in the month of December, Free Homoeopathic medical camps at VMRF Deemed to be University Staff's and other constituent colleges in salem, Our Students and staff's participation in CCRH scientific convention 2023, Prerana 2023 and our STSH projects of 5 UG Students has been shortlisted by CCRH for further research work . I wish to thank our Management and Alumni Association for your continuous Support and encouragement. Lastly I wish you all a very Happy New Year 2024. The Bulletin Board accepts Articles, Suggestive ideas and comments and can be communicated to vinhomoeobulletin@gmail.com
