National Doctor's Day 2026

Behind the Mask: Who Heals the Healers?

Today, we honor the dedication, compassion, and resilience of every doctor who stands at the forefront of healing. Beyond every diagnosis is a human heart committed to serving humanity with empathy, courage, and unwavering care.

On this National Doctor's Day, let us celebrate the selfless efforts of the medical fraternity and remember the importance of caring for those who care for us.

Happy National Doctor's Day!
